## **TENDER FORM**

The undersigned hereby tender and offer (subject to the Agency's conditions of tendering) to the Ladakh Renewable Energy Development Agency (LREDA) to supply, installation, Commissioning of SOLAR DIRECT COOKING SYSTEMS as per specifications of LREDA / M.N.R.E. and works which are described or referred to in the Details of Technical Particulars attached to tender document and its enclosure and in Schedules to the side. Details of Technical Particulars, copies of which are annexed here to and which under the terms there of are to be supplied, executed and done by the contractor and to perform and observe the provisions and agreements or the part of the contract contained in or reasonable to be referred from the said tender documents for the same and at the rates sets out in Schedule-I annexed hereto.

The questionnaire enclosed with this tender document has been fully answered and is enclosed herewith (if the questionnaire is not answered in full, the answer to various question may be taken so as to be advantageous to the Agency unless contrary mentioned in the body of the tender). Complete Tender document is also enclosed herewith duly signed on every page by the undersigned.

Signed this ..... day of ..... 2011.

Yours faithfully,

TENDERER'S SIGNATURE

(With seal)

TENDERER'S  
ADDRESS

## **MINIMUM CRITERION FOR BIDDING:**

The bidder must have following minimum criterion for bidding:

- a. The successful bidder must establish his service/spare parts centre in Leh.
- b. The bidder must be total integrated system designer and manufacturer / Authorised dealers.
- c. The bidder must be from MNRE list of suppliers/manufacturers.
- d. The annual turnover of the company in solar steam system must be of 1 million in last three financial years.

## **Eligibility and qualification criteria:**

The bidder shall meet the following requirements:

- 1) The bidders should be a reputed manufacturer/authorized dealers of Solar Direct Cooking system.
- 2) The bidder must have experience of supplying, installing and commissioning of at least 5 solar direct cooking system during last three years in India and shall be given preference those companies who have successfully installed & commissioned such system in India. List & Purchase order copy & performance certificate must be enclosed.
- 3) The successful bidder must establish his service/spare parts centre in Leh.
- 4) The documentary evidence for meeting the eligibility criteria must be submitted along with offer.
- 5) All the above certificates/documents shall be submitted by the firm duly signed with the seal and should be duly attested from gazetted officer.
- 6) All information of the tender shall be in English, information in any other language will be accompanied with its translation in English. Failure to comply with this may disqualify the tender.

## INSTRUCTIONS FOR TENDERER

1. **Deputy Commissioner/Chief Executive Officer LAHDC-Leh** invites sealed offers for Supply, Installation & Commissioning of **SOLAR DIRECT COOKING SYSTEMS** strictly as per the specifications of LREDA/ M.N.R.E. as presented in the tender documents.
2. Tender must reach the **Office of The Deputy Commissioner/Chief Executive Officer LAHDC-Leh**, by 1.00 P.M. on **28-09-2011**. Tenders received after the time and date shall not be considered. Covers should invariably be super-scribed 'Supply, Installation & Commissioning of SOLAR DIRECT COOKING SYSTEMS strictly as per the specifications of LREDA / M.N.R.E. as presented in the tender documents. Earnest Money deposited Rs 2,40,000/- and tender document fees Rs. 1000/- in the form of Demand Draft drawn in favour of Project Director LREDA-LAHDC, Leh payable at Leh. The tenders will be opened at 3.00 P.M. on 29-09 -2011 separately also in the same tender.
3. When tenders are delivered by special messenger, it should be deposited in the tender box kept in the office of the **Deputy Commissioner/Chief Executive Officer ,LAHDC-Leh** **duedate and time**. Nobody is authorized to receive or grant receipt for tender delivered.
4. Full descriptive particulars and complete specifications should accompany the offer. Offers should be kept open for acceptance for at least one year from the date of opening. Those who do not agree for validity of one year will do so at their own risk and no request for extension will be intimated from this office. However if due to circumstances beyond control tenderers are advised to extend the validity, they shall not be permitted to revise their rates and can offer any rebate or concession.
5. The terms and conditions and specifications mentioned in tender specifications shall be binding on the tenderers and no condition or stipulation contrary to the conditions shall be applicable. Please note that the tenderers who do not accept terms and conditions stipulated in this tender specifications, their offers shall be liable to be out rightly rejected without assigning any reason whatsoever.
6. Each page of tender document & enclosures shall be signed by the tenderer and affix the seal. All the pages of the documents issued must be submitted along the offer.
7. **Deputy Commissioner/CEO LAHDC,Leh** reserves the right (i) to reject any or all tenders **in part or full** or to accept any tender considered advantageous to LREDA whether it is the lowest tender or not and (ii) to split the quantities against the tender on more than one firm for the same items/ work. No reason will be assigned by **Deputy Commissioner/LAHDC,Leh** for this and will be binding on the tenderers.
8. In case of any corrections / alterations done in the tender, the tenderer should sign the same otherwise tenders may not be considered.
9. Offers through Telegraph/ Fax /Emails or open offer received will not be considered and summarily rejected.
10. All the tenderers shall essentially indicate the break-up of prices as shown in Tender form. In case any of the charges are not included in the quoted prices,the same shall be clearly shown as extra, indicating specifically the rate/scale of such charges.

1. **EARNEST MONEY:**

- a. Tenders other than those indicated at the clause above shall be accompanied with the earnest money **Rs.2,40,000.00 (Rupees Two lacs forty thousand only)** in the form of CDR/FDR/DD/BG pledged to the **PROJECT DIRECTOR,LREDA-LAHDC,LEH-LADAKH .**
- b. Tenders not accompanied with the required amount of earnest money will be rejected and their price bid shall not be opened.

12. **FORFEITURE OF EARNEST MONEY DEPOSIT:**

It should be clearly understood that in the event of tenderer failing to enter into the agreement in the prescribed format and to execute work ordered, within stipulations on the rates tendered by him, if he is so communicated within the validity period of the offer, the full amount of the earnest money will be forfeited and **Deputy Commissioner /CEO LAHDC,Leh** decision in this respect will be final and binding on the tenderer. However the EMD shall be treated as security deposit after placement of orders.

13. **PRICE:**

The prices quoted should be firm and F.O.R. anywhere in Leh district including civil work, all taxes and duties, excise, custom, import duties, Sales Octroi, Entry Tax, packing, forwarding freight, insurance and any other incidental charges.

14. **JURISDICTION OF THE COURT:**

Any dispute arising out of the contract shall be subject to the jurisdiction of local court of Jammu & Kashmir State alone.

15. **SECURITY DEPOSIT:**

- a. The successful tenderer(s) shall be required to furnish security deposit equivalent to 10% of the value of the contract in the CDR/FDR/bank guarantee form nationalized/scheduled bank pledged to the **PROJECT DIRECTOR LREDA-LAHDC, Leh** for the period of warranty i.e. 2 years from the date of receipt.
- b. Security deposit shall be furnished within one month from the date of detailed purchase order. Failure to do so within the stipulated period will make the contract liable for cancellation together with forfeiture of EMD at the discretion of chairman purchase committee LAHDC, Leh. The EMD of the successful tenderer(s) equivalent to Rs. 2,40,000.00 of the contract shall be released after the 5 years of the warranty period.

16. **WARRANTY:**

- a. The life of Solar cooker Reflector supplied with no peeling of silver coating shall be minimum period of five years and that of frame and structure must be of fifteen years from the date of supply of the system.
- b. The warranty for the whole system must be of five years.
- c. Necessary maintenance spares for five years trouble free operation will also be supplied with the system.
- d. The supplier shall be responsible to replace free of cost (including transportation and insurance expenses) to the purchaser whole or any part of supply which under normal and proper use become dysfunctional within one month of issue of any such complaint by the purchaser.
- e. In case the supplier fails to rectify/replace the defective/damaged equipment including transit damage, shortages within one month from the date of intimation of such shortage/damage, they shall have to pay interest to **PROJECT DIRECTOR, LREDA-LAHDC,Leh-Ladakh** @3% per month on the value of such materials.

17. **ANNUAL MAINTENANCE CONTRACT:**

The Supplier shall be responsible for the maintenance of the systems for a period of 5 years including 5 years of warranty period from the date of commissioning of the systems. The price quoted by the supplier should include the warranty/maintenance for 5 years.

**Scope of annual maintenance contract:**

Replacement/repairing of all defective components if any during the 5 years of maintenance /warranty period should be free of cost. Necessary spares to be maintained at Leh for smooth operation of the solar cooker.

18. **DELIVERY OF SOLAR COOKING SYSTEM**

- a. The bidder shall indicate the time along with the offer and shall be mutually agreed at the time of order finalization.
- b. Delivery of the equipment should commence within one month from the date of placement of order.
- c. In case of failure to deliver in full the required supplies on order, the purchaser shall have the right to make a risk purchase at the cost of

supplier and/or cancel the contract and claim reasonable compensation/damages. The contract of supply shall be repudiated if the supplies are not made within the prescribed period and to the satisfaction of the purchase officers.

**19. PAYMENT SCHEDULE**

25% shall be made as advanced payment to the successful, subject to the submission of a bank guarantee for an equal amount valid for a period of one year atleast. Another 25% shall be released on receipt of the material at the site, 45% after the installation and commissioning and payment clearance to the local entrepreneur engaged. 1% will be released each year for five years on annual maintenance report receipt by the LREDA.

## **GENERAL CONDITIONS OF CONTRACT**

### **1. DEFINITION OF TERMS:**

In writing these General Conditions of Contract, the specification and bill of quantity, the following works shall have the meanings hereby indicated unless there is something in the subject matter or content inconsistent with the subject.

LREDA shall mean the Ladakh Renewable Energy Development Agency represented through the Director.

The "Engineer in charge" shall mean the Engineer or Engineers authorized by Director, for the purpose of this contract. LREDA Engineer shall mean any Engineering person or personnel authorized by LREDA to supervise the work.

"The contractor" shall mean the successful bidder awarded with the contract or their successors and permitted assigns. Contract Price shall mean the sum named in or calculated in accordance with the provisions of the contract as the contract price. General Conditions shall mean these General conditions of Contract.

"Specifications" shall mean the specifications of M.N.R.E. and annexed to these General Conditions of contract and shall include the schedules and drawings attached thereto or issued to the contractor as well as all samples and pattern, if any,

"Month" shall mean calendar month. "Writing" shall include any manuscript, typewritten; printed or other statement reproduced in any visible form whether under seal or under hand.

### **2. CONTRACT DOCUMENT:**

The term "Contract" shall mean and include the General conditions, specifications, schedules, drawings, supply orders, issued against the contract schedule of price or their final general conditions, any special conditions applying to the particular contract specification and drawings and agreement to be entered into. Terms and conditions not herein defined shall have the same meaning as are assigned to them in the Indian contract Act

### **3. MANNER OF EXECUTION:**

Execution of work shall be carried out in an approved manner as outlined in the technical specifications or where not outlined, in accordance with relevant Indian Standard Specifications or M.N.R.E. (where ever required), to the reasonable satisfaction of LREDA.

#### **4 CONTRACTORS DEFAULT LIABILITY:**

LREDA may upon written notice of default to the contractor terminate the contract in circumstances detailed hereunder: -

- (a) If in the judgment of the LREDA, the contractor fails to supply / commission the items within the time specified in the contract agreement or within the period for which extension has been granted by LREDA to the contractor.
- (b) If in the judgment of LREDA, the contractor fails to comply with any of the provisions of this contract.
- (c) In the event LREDA does not terminate the contract as provided in paragraph (a) the contract shall continue performance of the contract in which case he shall be liable to LREDA for penalty for delay as set out in this contract until the work is completed at the rate of 0.5% per fortnight.

#### **5 FORCE MAJEURE:**

The contractor shall not be liable for any penalty for delay or for failure to perform the contract for reasons of FORCE MAJEURE such as of God, acts of public enemy, acts of government, cyclone fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes provided that the contract, shall within 10 (ten) days from the beginning of such delay notice the LREDA in writing of the cause of delay. LREDA shall verify the facts and grant such extension as facts justify.

#### **6. REJECTION OF WORKS:**

In the event of any of the material supplied by the contractor is found defective in material or workman ship or otherwise not in conformity with the requirement of this contract specifications, LREDA shall either reject the material and/ or work or advise the contractor to rectify the same. The contractor on receipt of such notices rectify or replace the defective material and rectifies the work, free of cost. If the contractor fails to do so, LREDA may,

- a) At its option replace or rectify such defective materials and recover the extra cost so involved from the contractor plus fifteen percent penalty from the contractor and/ or terminate the contract for balance work/ supplies with enforcement of penalty as per contract.

## **SCOPE OF WORK**

The work consists of design, manufacture, supply, installation and commissioning of a Solar Direct Cooking System (Should be designed to perform in -30 degrees Celsius temperature zone.).The manufacturer shall provide structural and design drawings with aggregate and complete details as specified during pilot sampling and inspection. The supply of cement and structural components required for the solar direct cooking systems will be provided and erected by the supplier.

## Technical specifications of solar direct cooking system using Scheffler dish of 16 sq. m. aperture area

<b>Concentrators</b>	
Reflecting mirrors i) Material  ii) Reflectivity  iii) Mirror fixing	i) Solar grade glass mirrors with protective layers of coating on back surface and sides to protect from exterior weathering effect. Special protections to be made keeping in view the climatic conditions of Leh.  ii) 90% minimum with life of 15 to 20 years. Warranty/ guaranty to be provided for a period of five years. To be replaced immediately if found deteriorating during this period.  iii) With positive locking or sticking by good quality adhesives. Due protection of mirror coatings to be taken while fixing the mirrors. Tying of mirrors with wires not acceptable. Special protections to be made keeping in view the high winds of region.
Concentration ratio (Aperture/ Utensil bottom area)	Over 60
Frame & supporting structure	Rigid enough to resist any deformation of the dish shape due to wind pressure or manual handling. Made up of aluminium/ mild steel with epoxy/ powder coating.
<b>Secondary Reflector &amp; Cooking place</b>	
<ul style="list-style-type: none"> <li>• Secondary reflector will use bright anodized aluminum sheets of minimum 0.4 mm thickness. Its base and cooking place stand will be fabricated using steel bars &amp; angle irons sheets respectively with proper thickness.</li> <li>• Cooking place will have adjustable shutters which can be operated from inside the kitchen.</li> <li>• The unit will withstand temperature of 400 C and wind pressure up to a speed of 150 km per hour.</li> </ul>	

### **Tracking Arrangement**

- Any reliable Timer or PLC based automatic tracking mechanism with motorized reverse in evening & park at morning position. Clock mechanism is not accepted.
- Made of standard components; to be protected from rain, dust & outside environment
- Tracking accuracy : +/- 0.5 degree (to be ensured using inclinometer)

### **Civil work & cooking pots**

- All required civil work will be made to have the cooking done with Scheffler dishes. Each dish should be able to cook one dish for 100 people at a time within one hour under clear sun.
- Each Scheffler dish will be provided with a suitable vessel to cook food for 100 people at a time with bottom painted as selective black .

### **Other requirements**

- All exposed M.S. parts/components should have three coats of epoxy paint and will be of weather resistant design/specifications to withstand natural weathering outdoors under local climatic conditions, for a minimum period of 15 years.
- Warranty for a minimum period of 5 years will be provided by the supplier. Necessary spares will also be provided so that the user do not face any problem atleast during the warranty period.
- The steel structures provided to support various components of the system will be fabricated in such a way that they are able to take load (both wind load and static dead load) of the whole system.
- The personnel of the buyer/user institution will be trained by the supplier in the operation and maintenance of the system and its back-up system. Proper manuals will be prepared and provided to the user. Log book will also be supplied to the user so that proper documentation is maintained.
- The other important features of system will be
  - i) it will have easy access to the user and proper walkway and platforms will be supplied for easy operation and maintenance of the system wherever necessary
  - ii) safety features will be incorporated in the system and
  - iii) proper instrumentation will be provided so that user could see the status of system and take precautions /corrective steps if the system does not behave as expected.

## **Installation and Commissioning**

The entire system shall be supplied on turnkey basis inclusive of the civil work shall be done under the supervision of Engineer-in-charge. The system should perform in extreme conditions (Below -30 Deg C Temperatures)

### **1. Warranty**

The supplier will give five year warranty for the complete system wherein free services for any repair/ replacement of parts shall be provided.

## **BILL OF MATERIALS FOR SOLAR DIRECT SYSTEM**

<b>S.No</b>	<b>Element/Parameter</b>	<b>Quantity</b>	<b>UOM</b>
<b>1.</b>	Reflectors Sheet(Solar grade mirror)	3	Set
<b>2.</b>	Secondary Reflector( anodized aluminium of 0.4mm thickness)	3	Set
<b>3.</b>	Reflector frame and supporting structure.	As per requirement	Set
<b>4.</b>	Tracking System	As per requirement	Set
<b>11.</b>	Spares	As per Technical Specifications	
<b>12.</b>	Misc.Items(nuts, bolts, goggles, caps & gloves etc.)	2	Set
<b>13.</b>	Assemlly Manual	1	Nos

NOTE: The bill material quoted above is for sheffler type solar direct cooking system.The number of the parabolic concentrators and its components depend upon the list provided in the Technical Specifications.

## SCHEDULE I

### **PART 'A': GENERAL INFORMATION**

(Strike off whichever is not applicable. Separate sheets should be used, wherever necessary)

01		Name & Address of the Bidder
02		Name & Address of the Firm/Company etc.
	a)	Registered office
	b)	Factory/works address
	c)	Telegraphic address
	d)	Fax Nos.
	e)	Telephone Nos.
	f)	Mobile No.

Whether the offer is valid for 12 months from the date of opening of commercial/technical bid. Yes/No

Rate of CST/VAT on the date of bid (included in the rate quoted)

#### **DISCOUNT:**

Whether any rebate/discount is offered. Yes/No

If yes, whether the rebate is Unconditional/conditional

Rate/amount of rebate/discount

If conditional State condition

#### **PAYMENT TERMS:**

Whether LREDA's terms of payment is :Acceptable to the tenderer Yes/No

#### **PENALTY CLAUSE:**

Whether agreeable to LREDA's Penalty Clause Yes/No

Whether agreeable to LREDA's clause of warrantee period Yes/No

Indicate State, Central Sales Tax : State  
Registration Number (Please Note that in  
Case of non-registration with Sales Tax : Central  
Department Purchase Tax as admissible Shall  
be deducted by the Purchaser from the Bills of  
the supplier)

Please mention whether rates offered are :
